## Think of It! Up to \$22.50 Blouses for \$6.89!

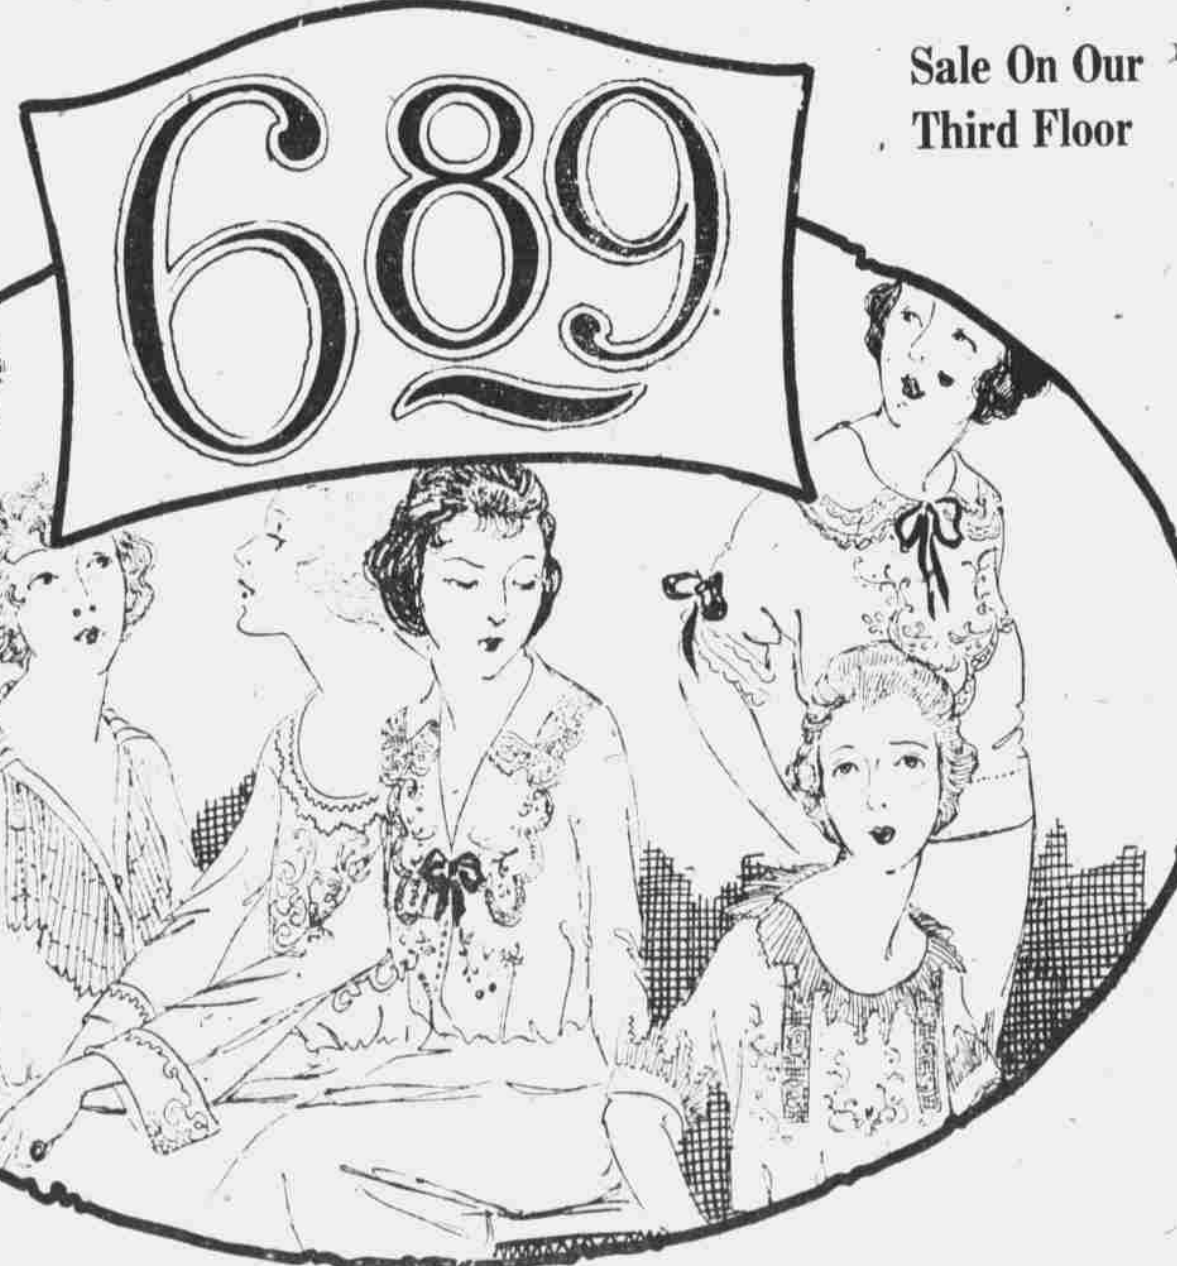

We count this one of the best deals ever put over by our garment Chief. This maker is one of the leading manufacturers of fine waists in America, whose garments are found only in the better stores, and there is always competition for his sample lines. That we succeeded in capturing the entire line—at a price which enables us to sell these fine waists at less than original wholesale cost—is an achievement of which we are justly proud. It means that Memphis women are going to buy the finest georgette and crepe de chine waists at one-half to one-third former selling prices.

It is impossible to devote more than a line to the styles—each one merits an individual description—there are long and short sleeve models of finest Georgette and Crepe de Chine, trimmed with REAL FILET LACE, hand embroidered, beautifully braided or beaded styles and dainty frills so desirable for these hot days.

There are more than two hundred different styles, including the favored slip-over and over-blouse models in the popular colors for summer wear—white and flesh—and scores and scores of high-class novelty effects. Here are waists for everyone and for every occasion, by far the most wonderful lot of blouses ever shown in any Memphis store at one time. Being samples, they are made with greater care than the usual run of garments, and they come in sizes 36 and 38 only.
